MICROFIBER Roller Covers

Ultra Premium Roller Covers for the Professional Painter

- For Maximum Paint Pick up
- Excellent Performance
- Solvent Resistant Polypropylene Core
- Ideal for all Low & High Lustre Paints
- Perfect for Stains, Latex or Acrylic Low Sheen & Enamels Finishes

From the instant you feel the fluffy, luxurious nap, you know something about this Microfiber material is very different. This European Microfiber holds more paint and delivers it to the wall with less friction, leaving behind a smoother finish than you have ever witnessed on the job. ArroWorthy was the first to develop and deliver this unique technology to market and found a way to truly revolutionize the Pro Painter's Roller Cover.
